

`fraction::simplifyFractions`

```
graph LR; A[fraction::simplifyFractions] --> B[greatestCommonDivisor]; B --> C[findRemainder];
```

A flowchart with three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text `fraction::simplifyFractions`. A blue arrow points from this box to a second, white box in the middle containing `greatestCommonDivisor`. Another blue arrow points from the second box to a third, white box on the right containing `findRemainder`. All boxes have a black border.

`greatestCommonDivisor`

`findRemainder`
